Sage 50 Sage Payment Solutions

Save time and money with payment processing that's built right into Sage 50 Accounting.

See how Sage makes payments better on our new interactive website.

Sage Payment Solutions

An easy, efficient way to process credit card payments is built right in to your Sage Accounting software. Sage Payment Solutions connects your payment processing directly into Sage 50. Whether you accept payments on site, online, or through a mobile device, Sage Payment Solutions instantly posts them to accounting and reconciles them automatically to save time by eliminating time-consuming manual data entry, reducing errors, and improving workflow.
